

**Buildings Ordinance (Cap. 123)
Specified Forms**

In exercise of the powers under section 22(4) of the Buildings Ordinance (BO), I have specified the forms listed at Appendix A.

2. Where a section of the BO or a regulation made under the BO requires an application, a notice or a certificate to be submitted in a specified form, the forms listed in Appendix A for the relevant purpose should be used and should not be altered or amended in any way. Failure to use the specified form may invalidate the application, notice or certificate.

3. An Electronic Forms Submission System (EFSS) and an e-Counter have been set up to facilitate online submission of some specified forms via the Buildings Department (BD) website at www.bd.gov.hk and via emails at receipt@bd.gov.hk respectively.

4. With the launch of Stage 1 of the Electronic Submission Hub (ESH) on 31 May 2022, some specified forms will also be available for online submission via ESH. Please refer to Appendix A for the specified forms that are available for submission online via different information systems.

5. Reference should be made to Practice Note for Authorized Persons, Registered Structural Engineers and Registered Geotechnical Engineers ADM-17 regarding the requirements for submission of plans and related documents in electronic format.

6. The specified forms will be kept under regular review and revised as necessary. The latest versions can be downloaded from BD website. BD encourages paperless submission by electronic means. Even when a form is submitted in hard copy, users are encouraged to fill in the form on computer so that the required information can be automatically stored in the two-dimensional barcode (i.e. QR code) on the form for subsequent processing by BD. If required, copies of the forms can be obtained during office hours from the General Enquiry and Receipt Counter on G/F of Buildings Department Headquarters, North Tower, West Kowloon Government Offices, 11 Hoi Ting Road, Yau Ma Tei, Kowloon.

7. For the list of specified forms in relation to Mandatory Building Inspection Window Inspection Schemes, reference should be made to the Practice Note for Mandatory Building and Window Inspection Schemes PNBI-3.
