

**Summary of Decision of the Building Committee
Building Committee I 20/2024 held on 27.8.2024**

(a) BCI 1 20/2024

Issue : A&A works to a building approved under the former “volume” regulation.

Decision : Noting that the proposed A&A works did not constitute any changes in the domestic plot ratio and site coverage, the committee agreed to permit the existing domestic plot ratio and site coverage to exceed the permissible under the First Schedule of B(P)Rs.
